

Remarks

Claims 1 to 19 are pending. By an Ex Parte Quayle action dated May 10, 2005, claims 1 to 19 have been allowed, and objections were made to the Title and the Abstract of Disclosure.

The title and the abstract of the disclosure have been amended by the present amendment. It is believed that the application as amended satisfies the requirements and formats of a patent application.

For the foregoing reasons, passage of the application to allowance is respectfully requested.

Respectfully Submitted,
